

1

00:00:00 --> 00:00:10,000

Good day.

2

00:00:10 --> 00:00:20,000

An appeal to a parent.

3

00:00:20 --> 00:00:30,000

If you love your children, let them think for themselves. Don't send them to school

4

00:00:30 --> 00:00:40,000

for there they will lose their riches which they obtained from God at birth.

5

00:00:41 --> 00:00:51,000

State education will effectively select his brain from what God gave him at birth.

6

00:00:51 --> 00:01:01,000

You can decide whether to send your child to school or not.

7

00:01:01 --> 00:01:11,000

To make this decision easier for you, let me tell you a few things.

8

00:01:11 --> 00:01:21,000

First, the Ministry of Education is your servant, not you his servant, because you pay taxes

9

00:01:22 --> 00:01:32,000

and with your money they do what they want, so you have the right to control what they do.

10

00:01:32 --> 00:01:42,000

Second, you can educate your children as you wish, not as the government wishes.

11

00:01:42 --> 00:01:52,000

The government wants you to educate your child so that he works for the government

12

00:01:53 --> 00:02:03,000

and pays taxes.

13

00:02:03 --> 00:02:13,000

Just because you do this all your life doesn't mean your child has to do it too.

14

00:02:13 --> 00:02:23,000

So you make the decision about your child's future. Remember what

15

00:02:23 --> 00:02:33,000

you were taught in school and remember if what you were taught there was useful to you

16

00:02:34 --> 00:02:44,000

in life how you took advantage of it. So don't let your baby experience the same stresses.

17

00:02:44 --> 00:02:54,000

Another thing. Why am I saying this to you? I say this to you so that you know

18

00:02:54 --> 00:03:04,000

the truth hidden for many thousands of years by the so-called wiser people, from the

19

00:03:05 --> 00:03:15,000

commoners that is, in front of you. If you are among the commoners, because

20

00:03:15 --> 00:03:25,000

they have classified you so much as the commoners, then the highest time for you

21

00:03:25 --> 00:03:35,000

to start thinking for yourself, not like they tell you. The truth is, that God is mind,

22

00:03:35 --> 00:03:45,000

the universe is mind, not matter, and he created it by means of thoughts everything

23

00:03:46 --> 00:03:56,000

you see around you. Likewise, you can create whatever you see around you.

24

00:03:56 --> 00:04:06,000

You can change and create as you want. They hid the truth from you so that you would

25

00:04:06 --> 00:04:16,000

he did not know your great creative power. So that you don't threaten them in their plans.

26

00:04:16 --> 00:04:26,000

So make your plans. You have the ability to create your own parallel universe

27

00:04:27 --> 00:04:37,000

and use it. Cut yourself off from these false manifestations of the physical world,

28

00:04:37 --> 00:04:47,000

and just build on your plans. What you want, not what they want.

29

00:04:47 --> 00:04:57,000

See what the outside world looks like. It looks like they want you to do physical labor

30

00:04:58 --> 00:05:08,000

on them, he provided them with taxes so that they could wage wars, because there

31

00:05:08 --> 00:05:18,000

would be no selection.

32

00:05:18 --> 00:05:28,000

It's a lie. God or unlimited awareness is so unlimited, that he can create

33

00:05:28 --> 00:05:38,000

any number of goods. There are enough goods for everyone. Don't believe these lies

34

00:05:39 --> 00:05:49,000

that something is missing. In God's consciousness it is inconceivable to anyone something

35

00:05:49 --> 00:05:59,000

his sons were missing. You are his son, so take advantage of the fact that with your thoughts,

36

00:05:59 --> 00:06:09,000

his thoughts. I have not told you yet that God is only and exclusively, God is only

37

00:06:10 --> 00:06:20,000

and exclusively the author of all the thoughts that are in your so-called mind.

38

00:06:20 --> 00:06:30,000

You think it is your mind. Not. This is the mind of God. The mind of God permeates

39

00:06:30 --> 00:06:40,000

the entire universe, all space and we are all immersed in it. So that all thoughts

40

00:06:40 --> 00:06:50,000

are made by God, and you have free will, which is just free to choose any idea you want

41

00:06:51 --> 00:07:01,000

what he sends you. Take advantage of it. Tell your children that they don't listen to people,

42

00:07:01 --> 00:07:11,000

who will lead them to the potty. There will be your hand or his hand only that they

43

00:07:11 --> 00:07:21,000

would listen only to the voice of God, which is within him and within you.

44

00:07:21 --> 00:07:31,000

That is, in the subconscious. That would be enough on this beautiful morning when

45

00:07:32 --> 00:07:42,000

the sun is shining and the air is so refreshing that it never occurred to me to put on a jacket.

46

00:07:42 --> 00:07:52,000

I'm in a shirt and that's what I can do what I like.

47

00:07:52 --> 00:08:02,000

Thank you. I wish you happiness and joy.

48

00:08:03 --> 00:08:13,000

This is an interesting initiative. Discovering new things about yourself and the world,

49

00:08:13 --> 00:08:23,000

logical and creative thinking, solving problems together, learning the basics of technology,

50

00:08:23 --> 00:08:33,000

robotics for older children, weekly or one-time activities. There is hope that these children

51

00:08:33 --> 00:08:43,000

will not lose the treasure of God.

52

00:08:44 --> 00:08:54,000

Good day.

53

00:08:54 --> 00:09:04,000

Advice for parents.

54

00:09:04 --> 00:09:14,000

Listen to your children. Not that you obey it, they say it, just listen and pay attention

55

00:09:15 --> 00:09:25,000

to what the children say and how they behave. If your child expresses reluctance

56

00:09:25 --> 00:09:35,000

to go to school, it is not his whim, it is not a sign of laziness, but a sign wisdom,

57

00:09:35 --> 00:09:45,000

because it accepts ideas from God, and that is exactly what it chose.

58

00:09:45 --> 00:09:55,000

Not to go to school because at school they will teach him all the bad things they have taught

59

00:09:56 --> 00:10:06,000

you. That is why God shows him the way not to listen to people, but to listen to God.

60

00:10:06 --> 00:10:16,000

So this the voice that is inside him. If you ignore that voice and listen to people, it is your decision.

61

00:10:16 --> 00:10:26,000

You have free will, but your child also has free will, that is, God's will and he accepts

62

00:10:26 --> 00:10:36,000

these ideas because it is not yet permeated with the physical world, the manifestation

63

00:10:37 --> 00:10:47,000

of which it is a lie of people who know the truth. When you go for a walk with your baby

64

00:10:47 --> 00:10:57,000

then do not pay attention to him that you must not, you must not there, do not do this,

65

00:10:57 --> 00:11:07,000

do not do that, just watch it and learn from it, because it is, it behaves spontaneously

66

00:11:08 --> 00:11:18,000

and doesn't care what is outside, only it begins to build its inner world using from God's mind.

67

00:11:18 --> 00:11:28,000

Since you already know that there is only one mind, man has no mind of his own.

68

00:11:28 --> 00:11:38,000

The mind is only one all-encompassing, omnipresent mind of God, and He directs the actions

69

00:11:38 --> 00:11:48,000

your child. You are guided by what you hear from people. Regulations, prohibitions, permits,

70

00:11:49 --> 00:11:59,000

or not permits. You have your beliefs that you have acquired from your parents and your

71

00:11:59 --> 00:12:09,000

subconscious mind, in which God exists, in your subconsciousness has your beliefs

72

00:12:09 --> 00:12:19,000

written down and follows your beliefs. The child has no human beliefs yet, yeah

73

00:12:20 --> 00:12:30,000

that he is following divine beliefs. Let him do it. Observe how many good things

74

00:12:30 --> 00:12:40,000

you can learn from your child. If he or she goes to school, tell him anyway, if you want

75

00:12:40 --> 00:12:50,000

him not to listen to what the teacher says. if it is the obligation to go to school,

76

00:12:50 --> 00:13:00,000

it should only be to have a presence, because how he will have no presence,

77

00:13:01 --> 00:13:11,000

there will be consequences independent of you and independent of you again

78

00:13:11 --> 00:13:21,000

from him. Since your child. You can enter into a friendship with him and ask every time

79

00:13:21 --> 00:13:31,000

what did your teacher tell you? You will have a great excuse to talk to your baby.

80

00:13:31 --> 00:13:41,000

If your child tells you what is happening at school, here I will remind you of the idiotic ones

81

00:13:42 --> 00:13:52,000

folk proverb "Even if they fry you in tar, do not say what is happening at school".

82

00:13:52 --> 00:14:02,000

It's a lie. You just should know what the teachers are teaching your child.

83

00:14:02 --> 00:14:12,000

Take an interest in it and correct your child. Be his lecturer. If you don't know how

84

00:14:13 --> 00:14:23,000

to talk to a child, I don't know what to do. Maybe use my videos maybe use other

85

00:14:23 --> 00:14:33,000

teachers you trust who know what they teach, because the teachers in the state

86

00:14:33 --> 00:14:43,000

school teach what the government tells them to do. And you know what the government

87

00:14:43 --> 00:14:53,000

is telling them to do.

88

00:14:54 --> 00:15:04,000

Therefore, I am paying attention once again to the fact that you do not rebuke,

89

00:15:04 --> 00:15:14,000

admonish and forbid nothing to your child, he just watched and learned from him himself.

90

00:15:14 --> 00:15:24,000

Thank you.
